

SPECIAL NOTICE - NEW CLASSIFICATION/PRE-QUALIFICATION FEES

Revisions to the statutes governing Contractor Classification and Consultant Prequalification were mandated by P.L. 2003, c.117 which was passed by the Legislature and signed by the Governor on July, 1, 2003. These revisions which are effective immediately are as follows:

Contractor Classification - Revised Duration and New Fee

N.J.S.A. 52:35-8 has been amended to allow for an increase in the contractor classification duration from the current 18 months to 24 months. Also, N.J.S.A. 52:35-2, has been amended mandating that a fee of \$100.00 be remitted each time a contractor classification application (new or renewal) is submitted.

Consultant Prequalification - New Fee

N.J.S.A. 52:34-9.3 has been amended mandating that a fee of \$100.00 be remitted each time a professional firm submits a Consultant Prequalification Application (new or renewal). The prequalification remains valid for a two-year period from the effective date.

Therefore, when firms submit new or renewal applications for either Contractor Classification or Consultant Prequalification to the Division of Property Management and Construction, the firm must include a company check in the amount of \$100.00 payable to "Treasurer, State of New Jersey". No application will be processed until a company check is received.
